ABOUT THE UNIVERSITY

Medicaps University is one of the leading private universities in Central India. Since its inception, the institution has consistently aimed at creating an ideal ambience for budding technocrats and helps them to grow like true professionals. We have an optimal blend of academic brilliance and industry exposure. This has helped us in refining the candidature of our graduating students from the engineering, management, agriculture, commerce, science, pharmacy, arts, humanities and social sciences, law, allied and healthcare, and journalism and mass communication field for the last 26 years.

ABOUT THE FACULTY OF ENGINEERING

The Faculty of Engineering at Medicaps University offers a range of undergraduate and postgraduate programs that are designed to equip students with the skills and knowledge needed to succeed in the competitive world of engineering.

Our undergraduate program includes B.Tech degrees in various specializations. Our postgraduate program includes M.Tech degrees in Computer Science and Engineering, Electrical Engineering, Mechanical Engineering, Civil Engineering, Electronics and Communication, Information Technology and integrated M.Tech in CSE. With a focus on experiential learning and industry exposure, our programs provide students with the opportunity to work on real-world projects and gain hands-on experience in their field. Graduates from our programs have gone on to excel in a range of industries, including IT, manufacturing, construction, and telecommunications.

ABOUT THE INTERNATIONAL CONFERENCE

IC4-2027 will be held in March 18-20, 2027 in Indore, Madhya Pradesh. This IEEE International Conference will be a better platform for the researchers, academicians and industry people to discuss and update the new changes happening in the world.

Conference Objectives

- The conference theme converge different domains such as Computer, Communication and Control. This will boost the research in such a way by getting an opportunity for the researchers to discuss and reinvent the possibilities and new scopes which they can take up and prove themselves and contribute to the growth of our Nation
- There will be keynote address by eminent personalities in different domains of the conference theme that include Indian and foreign speakers.
- All the accepted and presented papers will be submitted for publication in IEEE Xplore (Conference Record #73190).

Conference Tracks

Track 1: Computer Science and Engineering

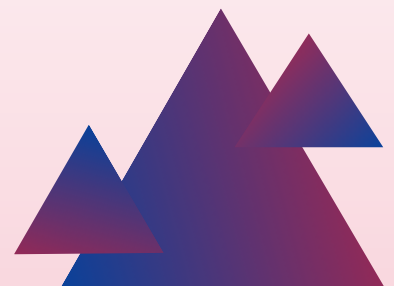

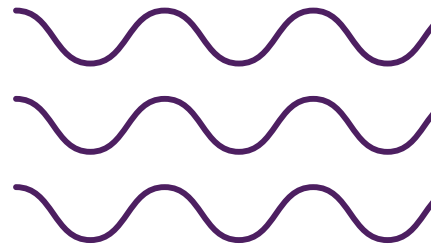

Track 2: Electronics and Communication

Track 3: Information Technology

Track 4: Instrumentation

Track 5: Electrical Engineering

Track 6: Robotics and Automation

Registration Fees

Category of Participants	Amount
Non-IEEE Professional	Rs. 9000
